Are you...?

- Aged 18 or over
- Living or working in Harrow
- Still waiting for your first vaccine

You can get your Covid vaccine now at the walk-in clinic below. You **don't** need to be registered with the practice but please bring proof of age. Please note these are Pfizer vaccines only.

Saturday 5 June

8.30am – 6pm

Roxbourne Medical Centre
37 Rayners Lane, Harrow HA2 0UE

Vaccines are the best way to protect you and your family from the worst effects of Covid-19, including newer variants. They do not contain any animal products and are safe for pregnant women. For more information about coronavirus and vaccines go to
