

**Harrow has a new NHS Walk-in Centre**

## **Invitation**

***Saturday 12<sup>th</sup> November 2016, 10am-11am  
Belmont Health Centre***

NHS Harrow CCG is delighted to announce the official launch of a new Walk-in Centre located within Belmont Health Centre.

The Walk-in Centre will be officially opened by the Mayor of Harrow, Councillor Rekhah Shah.

**Please join us for some refreshments, to learn about the new Walk-in Centre services and for a demonstration of NHS Harrow's new Smartphone App, Health Help Now which improves access to services for local patients.**

The walk-in centre is the third centre to open in the borough and compliments the established Walk-in Centres at The Pinn Medical Centre and Alexandra Avenue Health and Social Care Centre.

The services provide urgent access to a Clinician if you are unable to obtain an appointment with your GP and have a minor illness or injury. All three Centres are open from 8am to 8pm 7 days a week, 365 days a year.

In total, we are making 1,100 additional appointments available every week for people who need to be seen urgently by a Clinician.

**We look forward to seeing you on Saturday**
